**Authorization**

**Please read the following statements carefully, as they represent matters of importance to both you and ArtCenter College of Design ("the College"). After reading each statement, please initial each paragraph in the space provided and sign below.**

*I understand and agree that:*

The information that I provide on this application, and all other statements, material or information that I submit along with this Application (including, without limitation, my resume), or during any interview, is true and complete to the best of my knowledge. I hereby authorize the College to thoroughly investigate any of the statements made as part of my application or during any interview unless I have indicated to the contrary in this Employment Application. Any misrepresentation or omission of any fact in my application, resume, or any other materials submitted in conjunction with my application, or during any interview shall be grounds for rejection of this application or for immediate discharge if I am employed, regardless of the time elapsed before discovery. \_\_\_\_\_

I authorize and request all of my present\* and former employers and those individuals I have listed as references to furnish information to the College (without giving me prior notice of such disclosure) about my qualifications, as well as my employment record, including, without limitation, information concerning the reason for the termination of my employment, work performance, abilities, and other qualities pertinent to my qualifications for employment with the College. \_\_\_\_\_

I understand that if I am employed, as a condition of my employment I may be required to work overtime. In the event I am required to work overtime I will be compensated in accordance with applicable federal, state, or local wage and hour laws, unless I am exempt from such laws. \_\_\_\_\_

I agree and acknowledge that, to the fullest extent permitted by law, the College and I will use binding arbitration to resolve any and all disputes between us arising out of or in any way related to my application, or recruitment to the College or my employment relationship with the College, including any disputes upon termination, by final and binding arbitration before a single neutral arbitrator as the sole and exclusive remedy of the parties. The disputes subject to this agreement include, but are not limited to, all potential claims relating to employment and termination of employment, such as breach of contract, tort, discrimination, harassment, wrongful termination, demotion or discipline, failure to accommodate, denial of leave, compensation or benefits claims, and claims for violation of any local, state or federal constitution, law, statute, regulation or ordinance or common law to the fullest extent permitted by law, regardless of whether such dispute is initiated by me or the College. Thus, this bilateral arbitration agreement fully applies to any and all claims that the College may have against me, including (but not limited to) claims for misappropriation of College property, disclosure of proprietary information or trade secrets, interference with contract, trade libel, gross negligence, or any other claim for alleged wrongful conduct or breach of the duty of loyalty. Nevertheless, claims for workers' compensation benefits or unemployment insurance, those arising under the National Labor Relations Act, and any other claims where mandatory arbitration is prohibited by law, are not covered by this arbitration agreement, and such claims may be presented by either the College or me to the appropriate court or government agency. The parties understand that by entering into this agreement to arbitrate, both parties are giving up their right to have any such dispute decided in a court of law, and if applicable, before a jury, and instead, agree to the use of binding arbitration pursuant to the procedures referenced in this Agreement. Such arbitration shall be conducted under the Federal Arbitration Act, in conformity with the American Arbitration Association's ("AAA") then current Employment Arbitration Rules (available on-line at [www.adr.org](http://www.adr.org)). The arbitration will be conducted in Los Angeles County, California, by a single neutral arbitrator. The parties may conduct discovery to the same extent as would be permitted in a court of law. The arbitrator shall issue a reasoned, written decision stating the essential findings and conclusions on which the award is based and shall have full authority to enter any award that could be entered by a judge. The College shall bear the full costs of the arbitrator, AAA administrative expenses and filing fees. Each party shall bear its own attorneys' fees and all other costs, unless otherwise required or allowed by law and awarded by the arbitrator. Any judgment upon any award rendered by the arbitrator may be entered into any court having jurisdiction thereof. The parties agree to abide by and perform any valid award rendered by the arbitrator. Any offer of employment I may receive is contingent on my agreeing to arbitrate. \_\_\_\_\_

In the event I am offered a position with the College and I accept such offer, in consideration of my employment, I agree to comply with the policies, rules, regulations, and procedures of the College, I further agree that my employment and compensation are for an unspecified term, may be terminated at will, with or without cause and with or without notice, at any time, either at my option or at the option of the College. I understand that no employee or representative of the College, other than its President, has the authority to enter into any agreement for employment for any specified period, or to make any express or implied agreement contrary to the foregoing. Further, the President of the College may not alter the at-will nature of the employment relationship or enter into any employment agreement for a specified period of time unless the President and I both sign a written agreement that clearly and expressly specifies the intent to do so. I agree that this shall constitute a final and fully binding integrated agreement with respect to the at-will nature of my employment relationship, should I be hired, and that there are no oral or implied agreements regarding this issue. \_\_\_\_\_
